

Bulletin Informative # 2 September 16th, 2023

Artistic Skating World Championship Ibague-Tolima 2023 organization, previously approved by the World Skate ATC, inform all delegations that unofficial training for Precision, Small and Large Groups will take place at the official rink after the daily session ends on September 25, 26, 27, 28 and 29 and no more than one hour before the official program begins the next day.

Due to time limitations, a maximum of two 30-minute sessions will be scheduled for each group on different days. In order to confirm availability and reservations, all interested groups should contact the person listed in the previous bulletin and send information regarding the group's name and nation.

All other skating disciplines: quartets, pairs, free, inline, couple dance and solo dance, unofficial training sessions will be scheduled at Mega Parque Santa Rita rink and not in Coopemtol as was sent on the previous Bulletin. All previously scheduled sessions will be maintained. The change is due to technical problems at Coopemtol Venue.

For further information, regarding schedules and availability, contact María Isabel Álvarez at +57 301 229 6856.

We appreciate your attention and cooperation.
